---

### Air Sickness

---

If you are subject to motion sickness and take medication prior to flying on a commercial airline, you may wish to consider doing so before your private charter flight.

---

### Cabin Comfort

---

Northern Airways provides blankets in the cabin for your comfort. Always feel free to communicate with the pilot or co-pilot regarding the cabin temperature.

---

### The Private Charter Environment

---

We strive to exceed your expectations in our service to you. Should you have any other request or question regarding your trip, please contact us. We are happy to assist you. Have a great flight!
